

**KENDALL COUNTY SPECIAL OLYMPICS
AREA BOWLING MEET**

PARENT'S GUIDE: AREA BOWLING MEET GUIDELINES

Your athlete's safety is our #1 Priority. Towards ensuring that your athlete not only has a wonderful experience at this year's area bowling meet, but also stays safe, the following parental guidelines have been put in place and must be adhered to.

- Athlete's may ride with their families to this event. Bus transportation will be provided, but is not required.
 - Parents need to advise Ms. Clason no less than three days prior to the event if their athlete will be taking the bus or riding separately.
- Upon arriving at the event venue, Athlete's should check in with Ms. Clason and parents are to assist in helping their athlete find their assigned coach.
 - Athlete's **MUST** arrive at the event venue no less than 45 minutes prior to their scheduled start time. Failure will result in a scratch of the athlete from the competition, due to State rules.
- Athletes are to stay with their coach and group once their competition has started.
- Lunches are provided to your athlete for the day. There are concessions available if parents want to purchase additional items.
- Athletes are allowed to have a non-caffeinated drink and small finger snacks (such as crackers) at the table with them during their competition provided the snack/drink does not interfere with their participation.
 - It is at the discretion of the coach to whether the athlete may continue snacking during their competition.
- Once your athlete has received their medal or ribbon, they are free to leave.
- **All parents and guardians MUST inform Deb Clason OR their athlete's coach that they are leaving the venue with the athlete.**

We thank you for your cooperation and assistance in ensuring that each athlete has a rewarding experience, has fun and stays safe!
