Cory was a cute, caring, and wise boy who got along with everyone. I didn't know him for that long but the time that i did know him he was amazing. He will greatly be missed.

Cory was in my biology class first term and he was a really nice person and he was a really good artist! I wish I knew how to draw like him!! But on the other hand I wasn't able to get to know him during the short time that I had. Now I wish I had taken that chance.

So sorry to hear of your recent loss. Our daughter was Cory's reading buddy @ A.C.S some years back and then our Son was his mentor and wagon buddy as well. Cory has a special place in our families hearts. He always had such a special glow to him and his companionship made our lives better. He will always have an imprint that he has left us with but we are for sure we will see him again one day. Diane would always keep us updated when we would see her for our 6 month cleaning. May your family be as blessed at this time as you have blessed us by sharing Cory.

On Sunday morning, we were in the waiting room at Delnor Hospital. Long story short, we met the pastor of your church and his wife. Knowing we are involved with Joni and Friends, he shared the information and we were able to pray. I do not believe this was a coincidental meeting. I recall Cory having such a sweet disposition and a true gentleness about him. When our daughter entered heaven, II Corinthians chapters 4 & 5 helped us a lot. We pray it blesses you!

Our hope is in Him,

Dear Tim and Diane,

I am so sorry to hear of your loss. I didn't know Cory well, but I have so enjoyed the experiences we have shared as families at the K's in the past. I look forward to times with your family in the future as well. I was so saddened by the news, but know that you praise the Lord that Cory is in a better place. Please know that you all are in our prayers in the days ahead!!!

☒ I went to Longbeach with Cory and i've known him since i started going there. He was a really good kid and did everything when he didn't want to. Its a sad loss, and i think its made everyone pretty sad. I don't think anyone could ever forget him.

☒ Cory always gave 100% even when he wasn't feeling it. He was in 1st hour Health class with me at OEHS and he was always willing to help people out. I remember we did a project together and he didn't just sit there, he helped out with everything and even went in front of the classroom and presented it. Also, the week before he passed away, he did a debate in class! He was a really amazing kid and I know we will all miss him very much. God bless you Cory and the Szot family. Our prays and sympathy are with you.

- ✦ What a precious life! I am so saddened for your loss. I did not know Cory, but think I met him at the Knudsens garage sale. I am deeply touched by the beautiful post on their website. I physically know the deep loss you feel, as I have experienced the death of a son. I don't believe there can be a deeper pain. Please accept my deepest condolences. You're in my thoughts and prayers.

Warmly in Christ,

- ✦ Cory was a wonderful boy, he would love to come out of school before all the other students just to run his wheel chair up and down the sidewalk. He will be missed, I can still see his smile getting on my bus.

- ✦ Tim, Dianne, Nicole, Natalie & Josh...
We can only imagine the pain you are struggling with right now. We grieve with you. If you need anything please do not hesitate to call.
We can only imagine the first things Cory did upon seeing Jesus face to face, but I know without a doubt that Jesus led him by the hand as they walked, ran and jumped as they explored Cory's new home together!
